

OCTO MOVABLE FIBERGLASS PLANTER BOX

OPEN, ROTATE 360 DEGREE

LOCK

**when in lock position, swivel also locked*

POLYURETHANE WHEEL

OCTO Movable Fiberglass Planter Box is resistant to rot, rust, and corrosion, making it suitable for outdoor use in various climates. It can withstand harsh weather conditions such as extreme heat, cold, and moisture without deteriorating.

Designed with convenience in mind, the planter is much lighter than concrete or metal alternatives, making it easier to handle. It comes equipped with swivel casters with brakes, allowing you to move the planter smoothly and lock it securely in place—ideal for flexible garden layouts or rearranging spaces.

OCTO Movable Fiberglass Planter Box is easy to clean and maintain. It doesn't require sealing or special treatments like some other materials, and it can be wiped down with soap and water to remove dirt and debris.
